Effective Date: _____

Tesla Contact: _____

This Standard Non-Disclosure Agreement (“NDA”) is entered as of the Effective Date between the Tesla entity (“Tesla”) and the company or individual (“Company”) identified below. Tesla and each Company agree as follows:

1. Purpose. Tesla may disclose Confidential Information to Company in order to consider a potential business relationship with each other or fulfill the objectives of such relationship (“Purpose”). “Confidential Information” means information disclosed by Tesla or its Affiliate to Company or its Affiliate that is marked as confidential or proprietary, identified as confidential or proprietary (e.g. if disclosed orally or visually), or disclosed under circumstances by which Company should reasonably understand that such information is deemed by Tesla to be confidential or proprietary. All Confidential Information and derivations thereof remain Tesla’s sole property, and no license or other right to Confidential Information or any intellectual property is granted or implied by this NDA or any disclosure. Tesla is not required to disclose any information hereunder. All Confidential Information is provided on an “AS IS” basis. Tesla disclaims any and all representations, warranties, or assurances concerning the Confidential Information, including as to accuracy, performance, completeness, suitability, or third-party rights.
2. Confidentiality. Subject to Section 3, Company and its Affiliates may not: (a) use Confidential Information for any reason except the Purpose; or (b) disclose Confidential Information to any individual or third party except to its personnel, directors, consultants, professional advisors, and Affiliates, or (to the extent expressly approved in writing by Tesla) other unaffiliated third parties, in each case that (i) have a “need to know” such Confidential Information for the Purpose and (ii) are bound to confidentiality obligations that protect Confidential Information to at least the same extent as the terms of this NDA (collectively, “Authorized Recipients”); or (c) make any public disclosures relating to the existence of this NDA or the Purpose without Tesla’s prior written consent; or (d) identify, or attempt to identify, any data subject (e.g. one or more individuals, vehicles, products, or entities) through any de-identified or anonymous data disclosed by Tesla. Company shall implement and maintain appropriate organizational, technical, and administrative security measures, exercising the same degree of care to protect Confidential Information that it uses for its own confidential information of a similar nature, but in no event less than reasonable care. Promptly after learning of any unauthorized use or disclosure of, and/or unauthorized attempts to access or modify, any Confidential Information in Company’s (or its Authorized Recipients’) custody or control, Company shall notify Tesla in writing and cooperate with Tesla to investigate and mitigate any adverse effects. Company shall be responsible for any unauthorized use or disclosure of Confidential Information by any of its Authorized Recipients.
3. Exceptions. The obligations of Section 2 will not apply to information that: (a) is already known to Company at the time of disclosure without obligation of confidentiality, (b) is or becomes publicly known through no wrongful act or omission of Company, (c) is rightfully received by Company from a third party without obligation of confidentiality, (d) is approved for release by Tesla’s written authorization, or (e) was developed by Company independently and without the use or benefit of any Confidential Information. A disclosure that Company is required to make pursuant to any order or requirement of a court, administrative agency, other governmental agency, or stock exchange will not be deemed a breach of Section 2 of this NDA, provided that Company has to the extent permitted by law: (x) promptly notified Tesla in writing of such order or requirement, (y) given Tesla an opportunity to challenge or limit the disclosure requirement or seek an appropriate protective order, and (z) cooperated with Tesla to narrow the scope of such disclosure to only that portion of the Confidential Information that is necessary to fulfill the order or requirement. A disclosure which complies with a U.S. Federal Acquisition Regulation permitting disclosures to the government concerning government contracts will not be deemed a breach of this NDA. Each party is hereby given notice of the immunity set forth in 18 USC § 1833(b).
4. Affiliate. “Affiliate” means an entity which either controls or is controlled by a party or is under common control with a party, where “control” means the power to direct or cause the direction of an entity’s management and policies through ownership or control of at least 50% of its voting securities or ownership interest.
5. Termination. This NDA is effective as of the Effective Date and will expire 3 years thereafter. Either party may terminate this NDA for any or no reason by giving 60 days’ prior written notice to the other party. Expiration or termination shall not affect a party’s rights or obligations with respect to Confidential Information disclosed before such expiration or termination, and such rights or obligations will continue as long as Company or its Affiliate has custody of or control over Confidential Information. Upon expiration or termination of this NDA or Tesla’s written request, Company shall promptly return to Tesla all Confidential Information or certify in writing that all Confidential Information has been destroyed. Sections 2, 3, and 5–7 will survive for 5 years after the expiration or termination of this NDA.
6. Disputes; Venue. This NDA is governed by the laws of the county, state, and country specified below Tesla’s signature, in each case without regard to conflict of laws principles. Company will be jointly and severally responsible for the acts and omissions of its Affiliates and each Authorized Recipient. The rights of and damages incurred by a Tesla Affiliate will be deemed to be rights of and damages incurred by Tesla. The Parties shall discuss in good faith a resolution to any conflict or dispute under this NDA. The exclusive venue for any judicial action arising out of or relating to this NDA will be the state, federal, or regional courts for the location specified below Tesla’s signature. The parties, for themselves and their respective

Affiliates and Authorized Recipients, hereby waive any challenge to venue and jurisdiction in such courts. If Tesla substantially prevails in any action to enforce this NDA, it will be entitled to recover its costs of enforcement from Company and its Affiliates, including reasonable attorneys' fees. Company acknowledges that breach of this NDA would cause Tesla irreparable harm for which monetary damages would not provide an adequate remedy and Tesla will, in addition to any other available remedies, be entitled to temporary and permanent injunctive relief with respect to such breach without proof of actual damages or the posting of bond or other security.

7. **Miscellaneous.** This NDA constitutes the entire agreement between the parties regarding its subject matter and supersedes all prior agreements, representations, and understandings, between the parties regarding its subject matter. If any provision hereof is held by a court of competent jurisdiction to be illegal or unenforceable, such provision shall be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law, and the remaining provisions of this NDA shall remain in full force and effect. This NDA is written in the English language, and the English version shall prevail over any translation thereof. A waiver of any right hereunder does not imply waiver of any other rights. No waiver, alteration, modification, or amendment of this NDA shall be effective unless in writing and signed by both parties. This NDA may be signed in duplicate originals or in separate counterparts, each of which is effective as if the parties signed a single original, and a facsimile of an original signature or electronically signed version transmitted to the other party is effective as if the original was sent to the other party. Any notice required or permitted by this NDA shall be made in writing and be deemed delivered upon verification of delivery to the other party. Company may not assign, transfer, or otherwise convey or delegate any of its rights or duties under this NDA (except to the successor in a merger, acquisition, or corporate reorganization of Company) without Tesla's prior written consent, and any attempt to do so shall be void.

Tesla and each Company execute this Standard Non-Disclosure Agreement through their duly authorized representatives.
