2021 IMPACT REPORT

## *who we are!*

The Austin LGBT Chamber founded in 1997 works to achieve equality and inclusion by promoting economic vitality in our communities and strengthening LGBT and ally businesses. In 2004, the Austin LGBT Chamber became one of the founding members of the National Gay and Lesbian Chamber of Commerce (NGLCC) with representation on the Council of Chambers and Business Organizations in 2008-2009 and 2013-present. In 2019, Austin LGBT Chamber joined forces with our partner LGBT Chamber in Dallas, Houston and San Antonio to form the Texas LGBT Chamber. ## *a letter from our president + 2021 chair.*

---

2021 proved our resolve and resiliency as a community -- from the high moments of a vaccine and how CDC protocols allowed us to open back up our worlds, to the lows of new COVID-19 variants.

As a Chamber, we stood together successfully fighting back 76 anti- LGBT bills in the Texas Legislative session, and worked to have certified LGBT-owned businesses recognized by the City of Austin for procurement opportunities. We held our second annual Pride in Local Music event celebrating and amplifying the LGBT creative economy in both Austin and Nashville, and produced our largest ever Business of Pride Gala. The highlight of the gala was awarding five scholarships to Central Texas students via our new Educational Fund.

Our Chamber's staff have been with our members every step of the way, guiding and providing resources and serving as a sounding board. I am so proud of our team, our incredible volunteers and of our board of directors. Our resolve has led to the Chamber's growth, membership retention, reach and reputation. We thank you for your continued support. Onward to 2022!

*education.*

.....

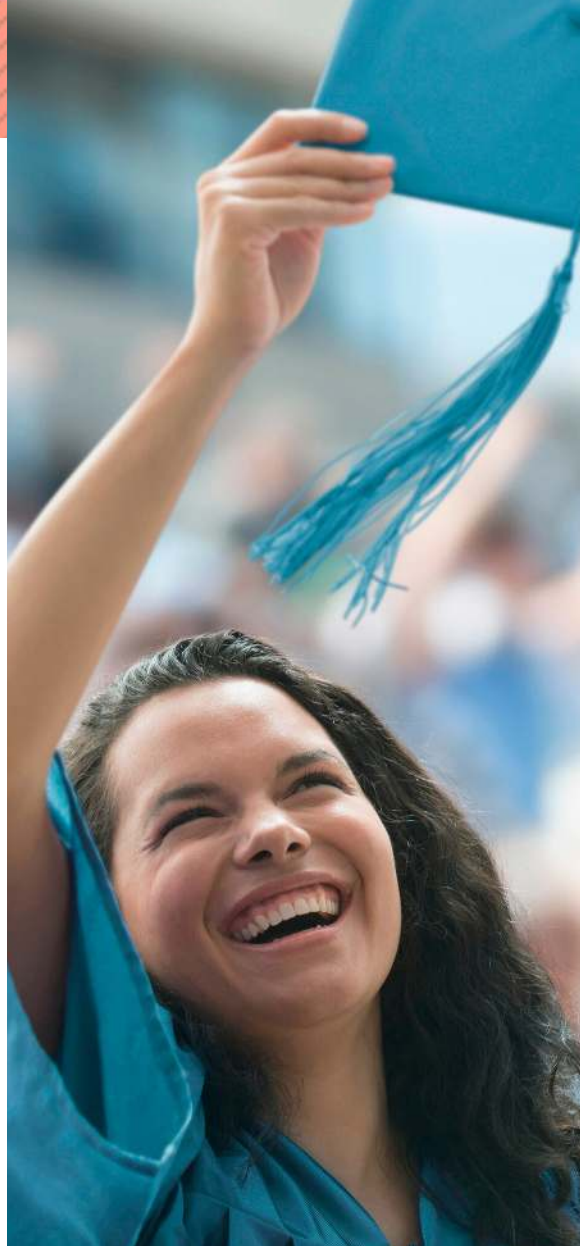

The Austin LGBT Chamber of Commerce has been supporting young LGBT students for many years.

This year most of our fundraising was geared towards the Austin LGBT Chamber Education Fund!

We are excited to help students find educational opportunities that would otherwise not be available to them. With support from members and donors like you, this is all possible.
